

B.S., Business and Economics 1 – Core Curriculum Component

- Start with foundational (000-level) courses in your **first year**, with a focus on:
 - Introductions to business and economics
 - Tools of communication (writing and speaking)
 - Tools of analysis (calculus and statistics)
- Start taking the introductory course for every major (100-level) when you earn **sophomore status** (24 credits earned)
- Take LAW 201: Legal Environment of Business, including advanced treatment of ethics, after you achieve **junior status** (54 credits earned)
- Take capstone course (MGT 301: Strategic Management in a Global Environment) after you:
 - Successfully complete all other core courses (each with a grade of C- or better)
 - Achieve **senior standing** (84 credits earned)
